

LINCOLN ESTATES students who wait for the Lincoln-Way school bus will have shelter now, thanks to the Frankfort Lions Club and the L-W Industrial Arts club who have provided a shelter house for the kids.

Materials for the structure were purchased by the Lions and put together by the Industrial Arts club, under the guidance of Raymond Page and George Kuehn. (Left to right) Neil Erdmann, Mokena; Art Hostert, Mokena; Robert Struthers, Manhattan; and Mike Erickson, New Lenox; apply the finishing touches with paint brushes.

This is the second shelter the L-W Club has built in cooperation with the Frankfort Lions. Other projects of the Industrial Arts Club have been forty picnic tables for the Mokena Park district, shop storage areas in the L-W shops, and school furniture now in use.

Mrs. Minnie Deist, 70, Dies Suddenly At Home

Mrs. Minnie E. Deist, 70, of 10947 First st., Mokena, died suddenly on Wednesday (March 3) and funeral services were conducted last Saturday (March 6) from the Baskerville chapel, New Lenox, with the Rev. Robert Watson officiating. Interment was in St. John's cemetery, Mokena.

Born in Peotone township, Mrs. Deist had resided in the Mokena - Frankfort area all her adult life. She made her home at Mokena with a daughter, Adeline, Mrs. William Verschorre.

When Mrs. Verschorre came home at dinner time Wednesday evening she found the door locked and her mother did not respond when she rapped on doors and windows. When Mrs. Verschorre finally gained entrance it was to find her mother lying on the floor. She had been preparing the evening meal when she was stricken.

The Mokena fire department inhalator squad re-

sponded and a doctor summoned but efforts to revive Mrs. Deist were unsuccessful.

Besides her daughter she is survived by two sons, LaVerne and Harold, of Chicago; two brothers, Emil and Edwin Andres, Peotone township; three sisters, Clara and Emma Andres, of Peotone, and Lillie, Mrs. George Brandau, Joliet; five grandchildren and two great-grandchildren.

Girls Must Sign Now For TriKena Summer Day-Camp

TriKena Girl Scouts who plan to attend the day-camp in Van Horn Woods (Mokena) next July must register their intentions before March 19, they were reminded this week by those in charge.

The girls who have not already turned in their registrations must hand them in to their troop leader at the last meeting prior to March 19. The March 19 date is the deadline for leaders to turn reservations in to Mrs. Arthur Reckener, North Cedar rd., New Lenox.

Some 400 girls are expected to attend the day-camp.

No Assistant Supervisor On Official Town Ballot

There will not be any candidate for assistant supervisor in the Frankfort township election April 6.

The Republicans selected Berle F. Needham, of Mokena, as a candidate for the office at its caucus Feb. 2, in the event that a census, then said to be in the making, should show the township to have sufficient population. To have an assistant supervisor a township must have at least 7,500 residents.

At the time the ticket was announced party spokesmen declared that if the census failed to show a sufficient population or if it were not completed before time to have the ballots printed, there would be no nominee.

Meanwhile the Peoples party, which nominated its ticket by petition, had filed a notice with Town Clerk Harold Cooper, at Mokena, objecting to the nomination of an assistant supervisor on the grounds that the last official census (1960) showed a population of less than 7,500 in the township, and demanded a hearing.

No hearing was held, Cooper explained, because by that time it was apparent any census underway would not be completed before time

to order the ballots and that it had been publicly stated there would be no candidate for assistant supervisor under the circumstances.

The printing of the ballots was ordered on Tuesday of last week by Cooper.

One column on the ballot will be devoted to the Republican candidates, and one column for the Peoples candidates and there will be another column left open for voters who would like to write in their own choices.

Republican candidate for supervisor *George Tate, Frankfort, is being opposed by Ted Massey, also of Frankfort, who heads the Peoples ticket.

(In the listing of the other candidates the Republican will be first, followed by the Peoples nominee. Incumbents will be designated by an asterisk (*) preceding their names.)

For town clerk: *Harold Cooper, Mokena, Al Behnke, Arbury Hills.

For assessor: *Harold A. Smith, August (Gus) Santoro, both of Frankfort.

For collector: *Burnett Schram, Frankfort, Leo Marcoux, Mokena.

For town auditors, three to be elected. The first three are GOP Candidates, the last

three, Peoples candidates: *August Werner, Mokena, Richard T. (Dick) Heim, Arbury Hills, Rudolph Urbano, Sr., Lincoln Estates; Florence Pitman, Mokena, Wilbur Schalk, Sunny Acres, Cal Heath, Lincoln Estates.

HISTORICAL SOCIETY

There will be a meeting of the Will County Historical Society at the Joliet YMCA on Thursday, March 18 at 7:30 p.m. LaVerne Hahney will speak on "The History of the E.J. & E. Railway Co." The public is invited to attend.

AREA COUNCIL PTA

Eastern Will county area PTA council is to meet at 8 p.m. March 11 in Beecher high school. "Council for Better or Worse" is to be the topic for representatives from Beecher, Peotone, Manhattan, Mokena, Frankfort and Lincoln Estates PTAs. Each unit president is invited to bring the slate of nominated or elected officers. A day workshop will be set up at this meeting. All PTA members are invited to attend.

The TriKena Girl Scouts which include Frankfort, Mokena, New Lenox, Arbury Hills and Lincoln Estates celebrated Girl Scout Sunday with a Songfest Roundup at Willow Crest school, Mokena. Approximately 400 girls and leaders were in attendance. All levels including Brownie, Junior, Cadette and senior were represented.

Mrs. Jerry Lang acted as mistress of ceremonies and special songs and dances were done by Mrs. DeLaughters Troop 386 Frankfort; Mrs. Robert Best's Troop 97 Mokena; Mrs. Arthur Reckner's Troop 183 New Lenox; Mrs. John Sellers Troop 385 Mokena; Mrs. Jerry Lang's Troop 335 recreated a radio broadcast made in 1963 for WJOL.

Mrs. Dee Mueller, Miss Sandy McAllister and Senior Troop 19 from Joliet sang and taught songs to the girls. They were accompanied by two Senior Scouts playing the guitars.

Special guests were Trailways Council members, Mrs. Clarence Miller, public relations, Miss Helen Wolner, executive director and Mrs. Edward Chladek - Neighborhood chairman of TriKena.

Hostesses for the event were Mrs. Fredrick Thompson's Cadette Troop 379 from Frankfort. Refreshments were served by Cadettes Troops 375 and 336 from Arbury Hills and New Lenox.

Will Get Estimate On Repairing E. Wood St.

A petition asking the New Lenox village board to grade and widen East Wood street was submitted at the regular meeting last Friday night. The petition was presented by Donald J. Whicker, 172 E. Wood. It was signed by him and 34 others, all residents along the thoroughfare.

Trustee Wilbur Thackrey, chairman of the street committee, is to get an estimate as to the cost such work would entail. The village has little money to spend at this time on street repairs, it was pointed out.

A fill was made on Wood street several years ago but at the time there was not sufficient money to make it as wide as needful. When the surface is slippery, it was said, it is hazardous for two

cars to attempt to pass each other in one section.

Residents of Haines ave. complained that trucks carrying material to the construction site of the addition to Oakview school have been tearing up that street and it was full of holes. Repairs were made over the weekend. Who is to ultimately pick up the tab for finally putting the street in proper condition is something that may be debated later -- between the village and school boards.

New street lights are to be installed Warren's Subd. in the vicinity of Cherry Hill school. Trustee Robert Randolph, who is in charge of street lighting, parks, recreation and public property, said the lights will be installed as soon as the work can be done. He has discussed the property with the Public Service Co. He stated that lights are to be located at the corner of Scheffeld and Kingston, Dorset Lane and Kingston, York place and Dorset place, Scheffeld and Dorset and Scheffeld and York.

There was an informal discussion of the Hickory

road crossing case. Board members appear to be in favor of keeping this crossing open. The crossing is on the first road leading north from U.S. 30 at the west end of the village. A rise takes it up to the Rock Island railroad tracks. There are a number of homes north of the tracks and a large building that was erected to house bowl-

ing lanes but the project has been held up.

The Rock Island wants to close the crossing. The railroad and the state are to install a gate guarded crossing in the vicinity of where FAI-80 is to cross U.S. 30, a little less than a mile west of Hickory road. The Illinois commerce commission has the case.

Republicans Form Booster Club In Frankfort Twp.

A Republican Booster club has been organized in Frankfort township by the party precinct committeemen. Membership is open to anyone interested, it was stated.

The first objective, it was pointed out, is to support the GOP ticket in the coming Frankfort township election. This is the first time -- in modern history -- that the Republicans have had a ticket in the township election under the party label.

The committeemen organizing the Booster club are, A. H. Krusemark, from the

first precinct in the village of Frankfort; Harold Cooper, the second, Bob Schellhase, the third and Wilbur Weber, the fourth, all located in Mokena, and Glen Coburn, the fifth, Frankfort.

Purposes of the organization are outlined as follows:

1. - To stimulate interest and active participation in government at grass-root level.
2. - To make available to all the people information of the duties and responsibilities of elected officials.
3. - To impress upon all the people their responsibility of selecting public officials to represent them.
4. - To urge everyone to avail themselves of facts and not be influenced by unfounded rumors.

Two File For Grade Board

Ralph E. Staples, 1110 Elm Drive; Victor A. Tinley, 153 Barbara Lane, and Donald W. Hunt, R #1, all of New Lenox, have filed petitions to run for election to the Board of Education of New Lenox School District 122.

Two are to be elected to the board. The terms of William Heldrich and Howard Handorf expire.

The last day to file is March 20. The election will be held Saturday, April 10, at the Haven School.

Petitions are available at the central office at the Oakview school, 809 North Cedar Road, New Lenox.

Line Up Directors For Sabin Vaccine Clinics

A small army of volunteers has been recruited for the first polio vaccine feeding to be held throughout Will County Sunday, March 28.

The Sabin Oral Sunday program is a joint effort of the Will County Medical Society and the Joliet Junior Chamber of Commerce.

Twenty - three schools will be used as stations for the feeding. The same stations will be the distribution sites for the second feeding Sunday, May 23.

Doctors, nurses, pharmacists and hundreds of volunteers have signed up for the gigantic task of distributing upwards of 150,000 doses of the protective vaccine. The stations will be open each of the Sundays from 11 a.m. to 5 p.m.

Consent cards for parents to sign will be distributed through both public and parochial schools. Those who do not sign in advance can sign at the stations but this process necessitates a slight delay.

The vaccine will be administered in small cups

each containing half a tablespoonful of the pleasant tasting liquid. The lines will move rapidly because the only time required is the second or two it takes to swallow once or twice.

Infants will be given their dosage from medicine droppers. All infants more than six weeks old should be immunized. Every adult is urged to become immune by visiting one of the stations during the mass immunization. Even those who have received Salk polio injections are advised to sip the Sabin vaccine to provide an extra measure of protection and to avoid becoming carriers. This will prevent epidemics if a sufficient percentage of the population becomes immunized.

The clinic directors and their stations outside Joliet are: Northview (Colonial Village) Lemont - Mrs. Norman A. Brown; Plainfield - Central - Robert DeWar; Parkview school (Hampton Park) - David Pauley; A. F. Hill, School, Lockport; Rod Troup; Lockport High central, Daymond Aiken; Troy, Robert Schwartz; Channahon, William Cook; Elwood; Fred Blatt, Jr.; Wilmington; Lorenzo, O. R. "Bud" DesRochers; Oakview, New Lenox, Ron Whitaker; Willowcrest, Mokena, Gordon Richards; Frankfort, David Zechlin; Manhattan, Robert Seeley.

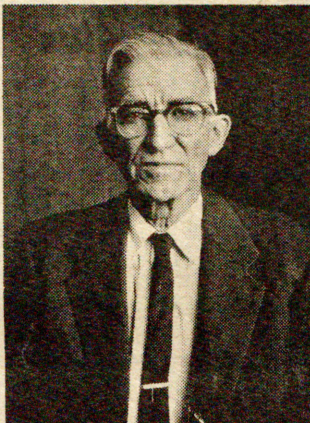

Headquarters have been established in the Rialto building at the northeast corner of VanBuren and Chicago streets, Joliet.

Dial - a - message information about the program may be obtained by dialing 815-726-7389.

The Old Timer

"Parents are people who bear infants, bore teenagers and board newly-weds."

GLENN DONALDSON, 128 Gum st., is now serving as the new business secretary for the village of New Lenox as the successor to F. Walter Reinhard. He is at the village office daily on week days to serve the public and the village board. Mr. Donaldson retired last year from the Rock Island railroad where he was employed in the engineering department.

1,700 To Compete For Solo, Ensemble Crowns Saturday

Plans completed, programs mailed, judges signed up and contestants ready -- the 1965 Illinois High School Association state solo and ensemble contest for Class A schools is ready to roll Saturday at Lincoln - Way High.

The contests -- vocal and instrumental -- are scheduled to begin at 8:30 Saturday morning and will continue until around 4:00 in the afternoon.

The public is invited to come early and stay late. There is no admission charge. For the convenience of contestants and spectators lunch will be served in the school cafeteria by the Band and Chorus Parents. A snackbar will be open all

day.

Twenty - seven Class A high schools from the surrounding area will send some 1,700 contestants to vie for honors at Lincoln - Way. Class A schools have enrollments up to 1,500. The larger schools are Class AA and the smaller schools run Class B, Class C.

There will be five state contests for solo and ensemble entries. Lincoln - Way also will be the site of the state band and chorus contest for Class A schools. The points scored in the solo and ensemble contests are added to those scored by the bands and choruses and the top scorer is a sweepstakes winner. When all is finished there will be five such

winners in the state. Lincoln - Way won the sweepstakes trophy in its class in 1962 and 1963 and was runner-up in 1964.

In the solo contest a superior rating is two points and an excellent is worth one point.

A superior rating counts six in the ensembles (ensembles range from duets up to 16 voices in madrigals), whether instrumental or vocal; excellent is three points. Ratings of "good" do not earn points.

In the state contest for bands and chorus, only superior ratings count for points. Such a rating for a band or mixed chorus is 20 points; for a girls' glee club or a boys' glee club superior counts for 16 points.

Mrs. Della Hussey, head of the L-W math department, and Charles Baird, of the business department, will have charge of tabulating the scores.

There will be 150 Lincoln-Way students participating in the contests Saturday. There also will be 85 other students working in clerical capacities.

League Of Women Voters Selling Town Office Book

In time for the April elections, the Palos - Orland League of Women Voters announces completion of a new booklet on "Township Government".

It gives facts and figures about the government of Orland and Palos Townships, their histories, schools, town meetings, expenditures of funds, assessed valuation, the duties and compensations of officials, and other information, it was stated.

A slip-sheet listing all of the current officials is inserted. This will be revised following the April elections, it was announced. Mrs. Harry Powell, who was in charge of writing the booklet said:

"We had a first-rate com-

mittee: Margaret Loebe, Collector for Orland township; Henrietta Marjan, clerk of Palos Heights; and Dorothy Lohrens, comptroller of Palos Hills, all members of the League of Women Voters. We also want to thank the officials of both Palos and Orland for their cooperation."

This is the second "Know Your Area" booklet published by the League, and was planned as a companion piece to "Presenting Palos - Orland", published in 1962. Each is priced at 50 cents, and may be obtained at local Palos and Orland business establishments, or by calling Mrs. John Alfirevic, 448-5164.

Will Open School Bids At March 15 Meeting

Bids for the construction of the new grade school are scheduled to be opened by the Frankfort board of education at 8 p.m. March 15. The board will meet the following Monday, March 22, to make its final selection. It is expected that it will award the contract then.

At its last meeting the board voted to extend the school year to include Monday, June 7, to make up for the day lost Feb. 25 because of bad weather. There must be 176 days of school in a year if a district is to share in state aid.

The board also discussed transportation of pupils for the 1965-66 school year. A measuring wheel obtained from the state was used to measure the distances from the new school to be built in Connecticut Hills.

It was determined that it is a mile and a half from the school to the new American Legion building via Route 45 or thru Connecticut Hills and Lincoln Meadows.

South from Route 30 and continuing on White street it is a mile and a half to the junction of White and Nebraska streets, going west the mile and a half limit goes to the east driveway of the Abe Lincoln motel, East, the mile and a half limit is approximately the same as for the present building.

North the mile and a half is a bit north of St. Francis rd, on Rte. 45.

Under the school code such district as 157-C are required to furnish free transportation for pupils living a mile and a half or more from the school.

The Frankfort district also provides transportation for pupils living within the mile and a half radius but on a fee basis. A survey sheet will be sent to parents of youngsters who will attend the new school next year as preliminary to making out the bus schedule and bus loads.

The board also approved development of a centralized school library. The plan will be put into effect after the new school is built. A centralized library, it was pointed out, will give the pupils a more complete library experience than is the case where the library is on a homeroom basis.

The board also is prepared to house one of the area's special education classes in the new building. At present the classes are being held at Mokena.

The board is seeking bids from various architectural firms for a safety survey of the present school plant, in compliance with the state health and safety code for schools.

2 Qualify For State Speech Competition

Last Saturday CSHS had two students qualify for the states speech contest. Kathy Schill and Jerry Coleman are the first CS students to make the state finals in four years. Saturday, Coleman placed first in after dinner speaking, and Schill placed Second in prose reading. Other CS entries that failed to place in the top five in their categories were Jim Danis, Chuck Shores, and Tim Sedgwick.

Jerry Coleman's topic, "Outselling the Salesman", a light talk on the salesman seen through the eyes of homeowner, should make Coleman strong competition at state. Coleman, as of Saturday is CS's high scorer this season, followed closely by Sedgwick.

Kathy Schill, who has a repertoire of five selections will be called upon April 2 and 3 to do one chosen by the judge. Saturday, Schill read one of Ray Bradbury's few non - science fiction works and placed second, making her eligible for state competition.

Teach Youngsters How To Cope With Plywood

How many times has the do-it-yourself handyman started to cut a piece of plywood and had a splintery mess on his hands afterward?

Recognizing the need of knowing the right and wrong way to do a plywood construction job Lincoln-Way's advanced shop students are learning the art of plywood construction and making cabinets at the same time under the direction of Mr. George Kuehn.

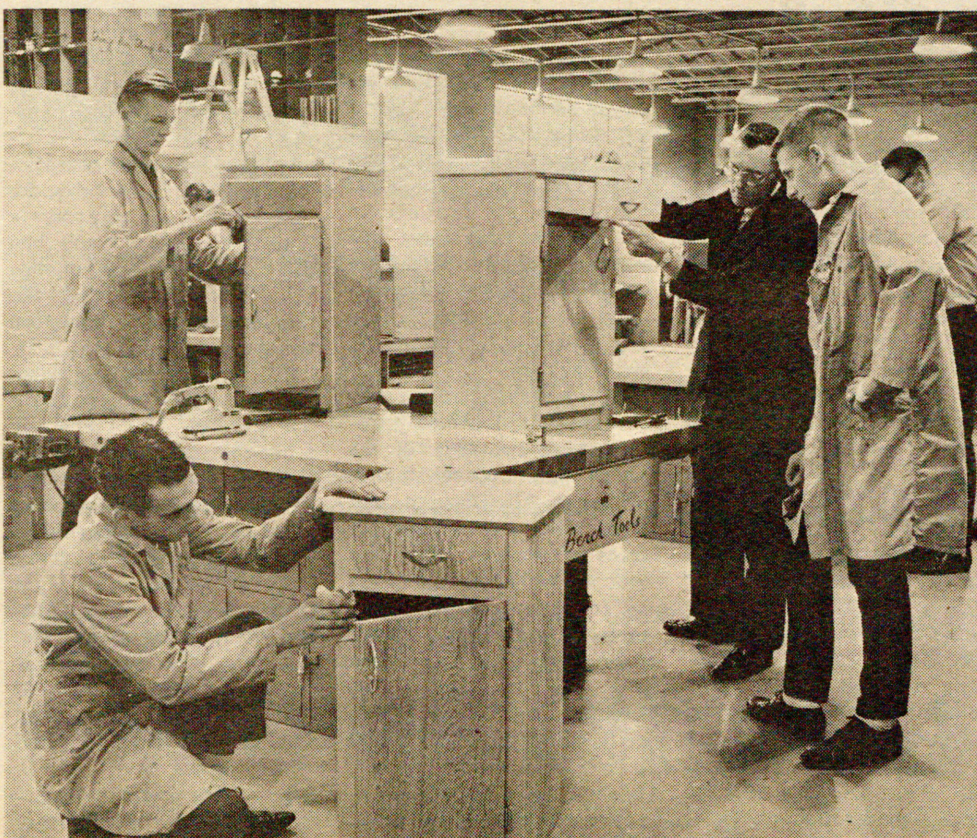

Prior to this advanced stage of shop work each student has nine weeks work with hand tools on minor construction jobs and a semester (18 weeks) course in power tools.

This shop project, involving 36 students is designed to teach the student how to

construct and fit a drawer, how to make and hang a cabinet door, and to show the student how to work with the unique qualities of plywood. As a result of these steps the student also learns about using plywood for other projects which is useful knowledge around any home.

After completing this cabinet project the student will be given an opportunity to freely express themselves by designing furniture and cabinets of their own and then building them from their own design.

These L-W students will have the knowledge so valuable for home owners. Some of the boys will, as other L-W students have done, take their learned skills with them to their first job after school.

WORKING ON cabinets in the wood shop at Lincoln-Way high school when the material used is plywood. Gives the students a sort of post graduate course in how to handle the stuff. (Wayne Sutton photo)

Continental Can Names Bendix To European Post

Gordon Bendix, Orland Park, has been appointed European technical representative of Continental Can Co., it has been announced by L. K. Hanson, general manager of Continental's Overseas Division.

This does not mean immediate departure of the Bendix family for Europe but it is expected that they would take up their residence there within a few months.

Mr. Bendix was a member of the board of education of high school district 230 for two terms, completing his second one last April. Last fall he served as head of a committee that made a survey for the grade school board to ascertain the sentiment in the community as regards to a proposed bond issue.

He was technical assistant to Continental's general manager of research and engineering at Chicago until his promotion to the European post in which he replaces Curtis E. Maier.

In his new position Mr. Bendix will keep Continental informed on developments in the packaging field in Europe and maintain technical liaison between the company's European licensees and its organization in the United States.

A native of Vesta, Minn., Mr. Bendix received both bachelor and master of science degrees in chemistry from the University of Minnesota. He also attended the graduate school of the Uni-

versity of Chicago.

Mr. Bendix has spent his entire professional career in research work with Continental, joining the company in 1936 and rising from his first position as chemist to director of chemical and physical laboratories, associate director of metal container development and technical assistant to the vice president of research and engineering.

He is a member of the American Chemical Society, Sigma Xi honorary research fraternity, and Phi Lambda Upsilon, honorary scholastic chemical fraternity.

He is married and has three daughters and a son. Two of the daughters have graduated from college and do not reside in Illinois. The other daughter, Jean, is a student at Drake university, and the son, James, is attending Illinois State Normal university.

Retires After 42 Years With Commonwealth Edison

CLYDE FLAKE

Clyde Flake of Parker road, Mokena, has retired from Commonwealth Edison Co. after more than 42 years of service with the overhead department. He started in 1923 as a groundman, later became a lineman and dispatcher and since 1955 had been an engineering assistant at the Chicago-South division, 7601 S. Lawndale ave.

Veteran of World War I, Mr. Flake is a member of Commonwealth Edison Post of the American Legion and of a Moose lodge and the Kiwanis club. He is a parishoner of St. Jude Catholic church and organized and served 12 years as president of the Grand View Park Boys club. He and his wife, Helen, will travel and visit historical sites during their future leisure and will continue to live on the small farm near Mokena. They have been married 37 years and have a daughter, Shirley, now Mrs. Raymond Pajkos, of Oak Lawn, and five grandchildren.

GIRL SCOUT WEEK

A short time ago, the nation observed Boy Scout Week. Soon it will be the girl's turn -- and they eminently deserve it.

The Girl Scout Week observance will run through the March 7 - 13 period, with the purpose of celebrating the founding of the movement in this country. It began in Savannah, Georgia, on March 13, 1912. In the ensuing years, it has grown steadily and made an ever more important contribution to the basic strength and character of this country. The Girl Scouts of today will be the wives, mothers, homemakers and career women of tomorrow. And the moral, spiritual and practical values that come from Scouting will serve them well all their lives.

It's interesting to note that Girl Scout experience refutes

those critics who say that the modern girl is losing her taste for domesticity. In the past year, nearly one million Scouts -- Juniors and Cadettes -- chose to work on badges for demonstrated skills in homemaking. The largest number of Juniors -- ages 9, 10 and 11 -- picked the "Cook" badge out of 47 badges offered in a wide variety of subjects. The Cadettes -- 12, 13 and 14 years old -- can choose from some 60 badges, but more "Hostess" badges were earned than any other.

Woman's role in the world has broadened enormously over the generations, but the traditional feminine interests and aptitudes remain. The Girl Scouts are a major force in developing and perfecting them.

WHO ARE THE DELINQUENTS

Juvenile delinquency is a much discussed subject nowadays. But the real root of the problem is generally soft pedaled.

Where does the blame lie for juvenile delinquency? It would seem that a major share of it can be charged to parents and schools. Both fail to teach and emphasize the importance of courtesy and the observance of the rights of others.

One simple little rule of conduct, if impressed on the children by parents and on students each day by teachers, from the first grade in public schools to

graduation in college, would help.

That rule would be: Keep your hands off other people and other people's property.

Such a rule of action instilled into the young mind could save untold misery and heartaches for young and old alike.

Teaching this simple rule of action would be fulfilling an obligation which adults owe the young and would relieve the elders of serious delinquency on their part. And it wouldn't take a new law or more taxes to accomplish results.

opinion consensus is 50 per cent advise buying, 44 per cent advise holding and 6 per cent advise selling.

The service reports that the majority counsel maintaining positions in fundamentally sound stocks. It goes on to express opinion that a rally is likely to start from this area and carry into the summer. They state, "business is good and getting better".

The service also notes that on the basis of the past 12 months earnings, stocks are at about the same level of price-earnings multiples as they were in December, 1962 when the Dow Jones Industrial Averages was around 650 as against the present level of about 900.

Barring accidental situations, the government does not seem likely to do anything that would discourage further business increases. Miscalculations as to effects of actions, can have unexpected results, i.e. the well remembered Kennedy-Steel price crisis. These are, however, normal business hazards.

The increases in personal disposable incomes is reflected in business of the textile and apparel manufacturers. The Chicago area department stores report a sales increase of 11 per cent over the 1964 week, according to Federal Reserve reports. The State Street stores report a 5 per cent gain whereas department stores outside this area, reported a 15 per cent gain. In four weeks thru Feb. 13, Chicago area sales were 6 per cent ahead of the same 1964 period. The State Street stores were up only one per cent in this period and those outside up 9 per cent.

"IF THERE is anything in association of ideas," remarked Jefferson P. Throtlebottom as he stretched himself out in the only comfortable chair in the office and fired up a cigar from the fistful he had speared only a few seconds before from the box on my desk, "the auto makers could help some in reducing traffic crashes. I don't mean thru car design or engineering. It is simpler than that. Let 'em change the names of some of their models.

"Everything today emphasizes speed," Jeff went on. "Even the schools and the mothers stress speed. Educators are devising ways and means to speed up the intake of knowledge so the close of the next decade we'll see eighth grade pupils taking courses now reserved for college juniors and seniors.

"That trend goes along with the mothers. For some reason or other many of them now apparently can't bear to see their children act and look like children. They turn them into little men and women as quickly as possible. Seventh graders are going steady and the mothers think it is so cute and make certain that they appear at dances and parties in full formal attire, and grousing because unfeeling lawmakers will not allow them to drive cars.

"That brings us back to traffic accidents," Jeff continued, "most of which--and especially the fatal ones--are attributed to speed, according to the annual reports of various safety agencies.

"I have read that some insurance people feel that the auto makers not only contribute to this speed trend thru the cars themselves but even stress the ideas thru the names they have pinned on the models.

"I can remember when the bulk of auto owners drove Tin Lizzies. Now there was a car for you. The old Model T Fords never set any speed records but no one expected them to. Tin Lizzie--Model T. The people who drove them knew they would get them where they were going and would bring them back. The idea was not how fast you made the trip but did you make it. If one wanted to be a devil of a fellow and wanted speed and a car to express his youth and vitality there were the Stutz Bear Cat and the Apperson Jack-rabbit.

"The Winton was a fast job but you couldn't tell it

from the name. The British Sunbeam was even faster but one doesn't associate sunbeams with speed. If one really had nerve there was the White Steamer and the Stanley Steamer. No one knew just how fast they would go. Some had them up well over 100 mph but roads and tracks would not accommodate what they could really

do. They were respected, even a little feared, and for the most part driven conservatively.

"But today speed is the thing. A few years ago one of major auto companies stressed safety. They advertised, and the salesmen were compelled to conform to the pattern, that the various models of this particular car were the safest to be found on the highways. The other manufacturers were having none of that. Their cars were the fastest on the road. True, one might get killed but he would be in select company. A sort of status death. As you have already guessed the manufacturer who preached safety failed to sell as many cars as any of those stressing speed. It figured that absolved them of any responsibility for looking after a public that apparently didn't want to be taken care of.

"Since then there has been a steady horsepower race and I supposed that in another 10 years they will have cars on the road that'll run to better than a thousand-horse. Not only are cars being made faster but look at the names. What effect do the names have on the car owners?

"How about Wildcat? There's a creature, a fierce, snarling, spitting, fighting sort. The name makes one think of a turbulent, violent action. Well, there is action in other car names too--Fury, Tempest, Comet, Thunderbird, Falcon, Mustang. The killers that stalk the oceans are represented in Sting Ray and the deadly, slashing Barracuda.

"Not only do such names produce thought of motion, but of wild, unrestrained, violent motion," Jeff said, "that appears to breed a reckless spirit in the drivers.

"But even the drivers of models with plain names that speak of peace and quiet are not safe. They too may go careening off into the wild blue yonder because just down the street is a guy waiting to put a tiger in their tanks. So long, folks, see you at the inquest."

Nurserymen's convention, new garden uses for plastics included a tree net, plastic tree squares, and special plant packaging.

The tree net is noteworthy because it solves the problem of keeping birds from damaging ripening fruit.

The material itself is the relatively new plastic called polypropylene. Although the net is of a twine thickness, its black color makes it practically invisible when on a tree. In addition, the coloring makes the plastic resistant to deterioration from the sun. This ability to stand up under the sun for four or more seasons makes the material easy to reuse and, therefore, in the long run, inexpensive. The initial cost of the netting amounts to about \$10 per 30 foot tree.

Another aid to its reuse possibilities is the natural springlike resiliency of the plastic that creates a ready resistance to tangling and snarling. The netting is also being used to hold mulching in place on steep slopes.

As the netting takes care of the aerial portions of the tree, the plastic tree squares exhibited at the convention protect the lower portions of the tree as a mulch. The squares, which come on perforated rolls, are equipped with a slit which reaches to the center. This facilitates the rapid and neat centering of the square around a new tree or shrub. Not only are these plastic tree mulchings attractive, they also enhance the vigor of young trees. It's been found that such black polyethylene mulching eliminates weeds. In addition, if slit properly, it allows for the penetration of water. Although most gases such as oxygen can penetrate through this plastic to the soil, water vapor is an exception. It cannot penetrate and thus, is not lost from the soil. The plastic may be kept in place by tucking the corners under adjacent sod.

Because of this special ability of plastics such as polyethylene to permit the free exchange of most gases yet retain water, they are also suited for the packaging of plants. Strawberries, rhubarb, and asparagus were but a few of the plants so treated. The plastic packing involved laying a thin layer of damp sphagnum moss on the top half of a plastic square. Over this, the semi-dormant plants or crowns are placed in a single layer. Another layer of damp sphagnum is then placed on top of the plants. The bottom half of plastic square is then folded over. The layers of plants, sphagnum, and plastic are then rolled, bed-roll fashion, and placed in a carton with an open top. Before the age of plastics, use of damp packaging predisposed the plants to storage problems.

From these three examples, we can see that plastics are becoming most useful to the modern gardener.

BUSINESS & FINANCE

BY MAURICE P. ANGLAND

The Viet Nam crisis, the current proposals for restrictions on foreign investment, and the stalemate in steel labor contract negotiations, have been given as the reasons for the recent sell-off of the stockmarket. However, analysis of this decline, reveals that the pre-decline activity had been

largely limited to a few stocks which advanced considerably, and this was followed by normal profit taking and market adjustments; often referred to as "market corrections".

It's All "Cinderella" At Stagg These Days

The halls of Stagg high school have been ringing with strains of "The Prince Is Giving A Ball," and conversations about glass slippers, exploding mirrors, satin ball gowns, crowns and black tights.

All this is in preparation for Stagg's production of Rodgers and Hammerstein's musical-comedy version of "Cinderella" on March 19 and 20 at 8 p.m. A matinee is scheduled for 3 p.m. on March 21.

The Stagg group selected the Rodgers and Hammerstein musical, written in 1957 especially for television, for their first production. Recently the show was presented on TV, but the script had been radically changed, according to Miss Sarah Stephens, director.

"Only the music was the same," Miss Stephens said. The latest TV show stayed very close to the original

fairly tale. Her cast had gathered to watch the show, she said, but "was disappointed because so much of the comedy of the show had been eliminated."

Miss Stephens predicts that the two ugly sisters, the henpecked King and the tyrannical Queen promise to be show stealers at Stagg. She also promises two big live mice. "The lines of the production are clever and witty, too," she added.

Nearly half of the 280 students enrolled at Stagg will be involved in the show in some capacity. Members of the Stagg Citizens' Education Association saw previews of the show last Wednesday (March 10).

Miss Stephens said that the show is not just children's entertainment, for it has something for all ages. "The Sunday afternoon performance is especially recommended for families."

Mrs. Allan Sims, ways & means chairman, reports that many courtesy items have been received from various merchants to be used as table favors.

Mrs. Sims has appointed a committee of Mrs. Ronald Burman, chairman, Mrs.

Roy Martin and Mrs. John Furlong to select a complete outfit from a Palos shop that will be a prize to be awarded.

John Barker, Ollie Olson and Milton Westlund, husbands of club members, will serve as models for men's fashions.

Various other members of the club, dressed in floor length hostess gowns, will be on hand that evening to assist in seating the guests.

Pat O'Brien Fans Can See Favorite And Aid Library

Pat O'Brien fans -- and they are legion -- will have

prepared by the den mothers.

The boys of Den 5 conducted the flag presentation. Erdic Dickens conducted the uniform inspection; Mark Elphic played the piano during and after dinner; Donald Ball Sr. gave recognition to the committee members and told about the time and effort these men put into the troop to keep the troop active. He also gave recognition to the den mothers.

A poem "Our Den Mother" was given by Jim and John Lyons. A history of the troop was given by Donald Ball. He showed movies of the Memorial Day parade and the Nov. and Dec. pack meetings. Pat Doolan, a magician from Lockport, also entertained.

The following boys received awards: Arthur Fuller is a new member and he received the bobcat pin; Robert Lesniewicz, gold and silver arrows in the wolf rank and the gold arrow in the bear rank; Ronald Cooper, bear badge; Bobby Dickens, Donald Harms, Charles McNeeley, Robert Harmon, Thomas Wolcott; Joseph Rucker and David and Kenneth Bidne have completed a full year in Cub Scouts and earned their one year service star.

The benediction was given by Gordon Letts.

an opportunity to see their favorite in a family comedy, "Love and Kisses", at D'Amico's 214, Joliet, March 30 thru April 11.

The Frankfort library committee is selling tickets to the performance the night of April 4 and will receive a portion of each of the tickets they sell. The tickets are \$3.50.

Tickets may be had from Mrs. Joseph Petnuch, 312-479-4531; Mrs. Robert Dean, 469-5487 and Mrs. Wendell Morrison, 469-5417.

It is the hope of the committee that a sizable sum will be realized for the library fund thru this performance.

Co-starring with Pat O'Brien will be his wife, Eloise Taylor, and their 18-year-old daughter, Brigget.

Altho the O'Briens have made numerous stage appearances in Chicagoland this will be their debut in "Love and Kisses." In this the O'Brien's play the parents of a teen-age boy and a girl in her twenties. This should be a natural, the O'Briens having been married 34 years and have four children and six grandchildren.

Outlines Mokena Woman's Club Program For The Year

The March meeting of the Mokena Garden club was held at the home of Mrs. Gerold Armstrong in Brightwood.

Mrs. Peter Ridderhof, president, made the following selection for the 1965 standing committees: Mrs. Don Guendling, membership; Mrs. John Hubler, community projects; Mrs. James Mance, hostess; Mrs. Ronald Sak, library; Mrs. Robert Schultz, flower show and Mrs. Albert Zemeske, programs.

The community project for 1965 is to continue planting and maintaining the flower boxes and hanging baskets at

the railroad depot.

An Arbor Day program is to be held at the Willowcrest school. A book award for best essay contest on "Trees" will take place at the time of the tree planting ceremony at Willowcrest school. Next year the Arbor Day program will be held at St. Mary's school.

An autumn flower show is being planned and it will be open to the public. This will be a "standard show" and fully accredited. Mrs. Robert Schultz is in charge.

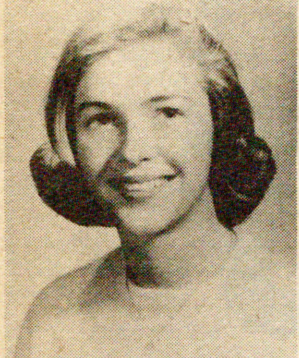

A Japanese flower arrangements and tea ceremony program will be given by our Japanese foreign exchange student, Hisako Iwamura and Margie Olson of Lincoln-Way high school, at the guest night meeting to be held April 6 at the Immanuel Lutheran church hall in Mokena. The public is invited.

After the business meeting, slides were shown by Joan Sak and then refreshments were served by co-hostesses Mrs. Robert Schultz, Mrs. Norman Falete and Mrs. Don Schofield.

Mokena Club Represented At Reciprocity Day

Mrs. Louis R. Richards, the president and Mrs. A. J. Bueltmann, a director, represented the Mokena Woman's Club at the Woman's Club of Joliet's annual Reciprocity Day program. This special event was held Friday, Feb. 26, at the Universalist church, Joliet.

Mrs. Paula Bishop, talented story-teller, and entertainer, presented a captivating lecture titled, "Our First Ladies". She opened with a sketch of Martha Washington, and continued with an illustration and intimate anecdote for each of our first ladies. At the close of Mrs. Bishop's program, members and guests adjourned to the social room where tea was served.

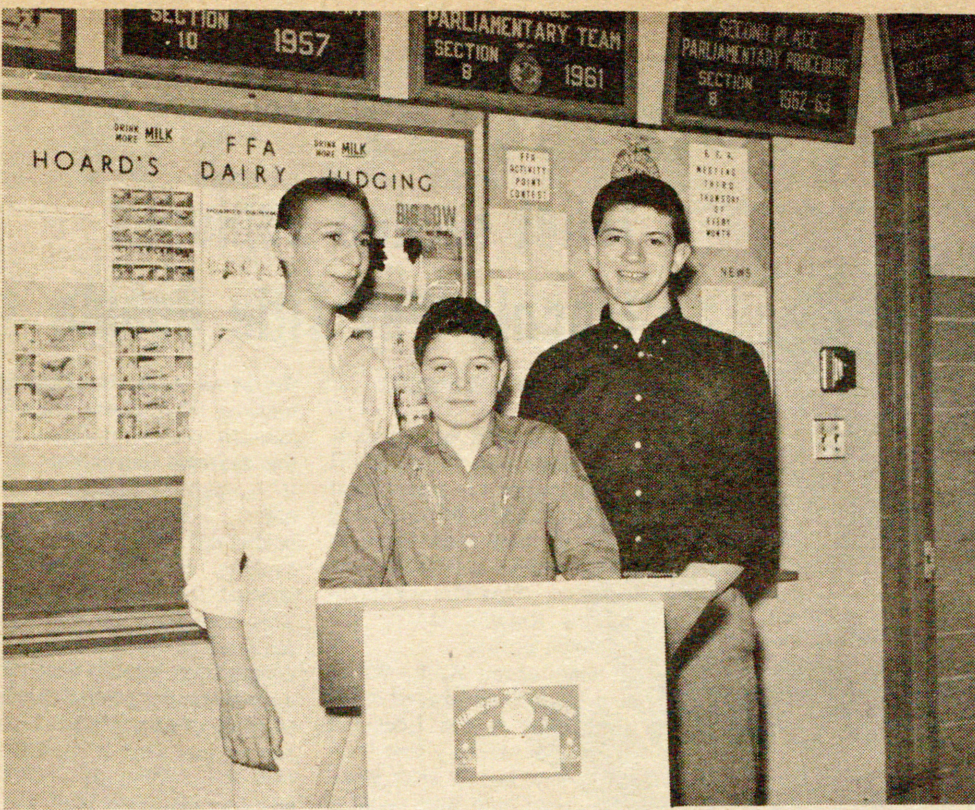

MARY ELLEN NUDD, senior at Sacred Heart high school, Mokena, received a special mention for her contribution to an editor's contest sponsored by "Extension" magazine. Mary Ellen is editor of the school newspaper, "The Piper."

For her entry in the contest, Mary Ellen wrote a five-hundred essay entitled "Take the Plunge--George Isn't Always Handy."

Upon entering the contest, Mary Ellen became Sacred Heart high school's teen board representative for a five-fold contest sponsored by "Extension." All students in the school are eligible to participate in this contest.

The five contests are an art contest, a cover idea contest, a publicity contest, a photography contest and a design for a new "Teen-dom" masthead contest.

Prizes for the contests include a \$500 scholarship for the art contest and \$100 for each of the other contests. Other prizes will be awarded to second, third and fourth place winners.

MEDAL WINNERS in L-W Future Farmers speech contest. Charles Bruns, New Lenox, (seated) won the gold medal. The boys standing are (left) Terry Seggebruch, Manhattan, who won the silver medal, and Lloyd Christiansen, Frankfort, who received the bronze medal for third place. This was the annual prepared speech contest held in the Vo-Ag Dept. at Lincoln-Way high. The speeches were between seven and 10 minutes in length and were written by the contestants on a current agricultural subject.

Charles Bruns will now represent Lincoln-Way FFA in the Section 8 contest at Crete-Monee high school March 24. The other two medal winners will be first and second alternates to the section contest. This is the second year Bruns has won this honor.

Would Give Motorists Chance To Air Grievs

A communications network to serve motorists in distress is the aim of the Automobile Manufacturers Association. It points out that there are already more than 2-million citizen band two-way radios in operation in the country, with approximately half of them already in automobiles.

A motorist whose car is equipped with a transceiver—a radio that receives and transmits—can summon help easily and quickly, it was explained. The system works now to some extent, it was said, but the auto makers would set up a nationwide network with round-the-clock monitoring.

As more and more limited access highways are put into use the more difficult

it will be for motorists to get help, it was pointed out, unless this radio program is set up.

Operation of a transceiver consists of turning on the set, switching to Channel 9, pressing a button while you talk and releasing it to listen. No operators license is required.

Change Date Of Natl. Merit Test At CSHS

The National Merit scholastic qualifying test will be given March 20 instead of this week, by special permission, according to James L. Adcock, director of guidance at Sandburg.

Normally the National Merit tests are taken only on a given date, set by National Merit board. Students missing the test are not permitted to make it up. But about 55 of the students wanting to take the test at Sandburg would be gone on a music tour.

Adcock obtained permission for the change in order to include all Sandburg students wishing to take the exam. He expects about 300 students at Sandburg for the test.

Area School Fives Lose In Regional Tourneys

Thornridge Too Much For Eagles In Semi-Finals

BY ED PETERSON
The Eagles were put out of the semi-finals in regional play last weekend by Thornridge by the largest margin of defeat all year, 84-63. Earlier they had routed the Thornton Fractional North Meteors to keep hopes alive. Thornridge in turn was completely crushed by the Thornton Wildcats in the final game by a 20 point deficit. This tourney featured the best basketball which the Eagles had run into thus far all year in that Thornton is ranked number one in the UPI coaches' poll upon having lost only one contest all year.

held by Lance Roberts of the 1961-62 roundball squad. The 6'9" Hyink was literally unstoppable in the contest as he tallied for 21 in the first half alone. Against Thornridge, the next night, Hyink scored 21 in the losing cause for a two game total of 57 points, the most for any one player in the tourney up to that point. Drew Corley, Eagle 6'5" forward, also was high on the personal scoring list as he tallied 22 on the first night and 18 against Thornridge for a 40 point total. This loss proved to be the last game of the year for the Eagles. The only team surviving their regional tourney from the Southwest Suburban Conference is Rich East. Lincolnway was beaten by Joliet Central in their semi-final game.

Eagle Matmen Have Good Year

BY BILL KAROLICH
Even tho the Carl Sandburg wrestlers did not place downstate they compiled a respectable season record of nine wins, five losses and two ties. They finished sixth in the Rich Tournament, a second in the Granite City Quadrangular, and firsts in the district and sectional tournaments. The team lost to the state's co-champions, Reavis and Granite City, by a combined total of three points. Reavis tipped the Eagles 21-19 in a dual meet while Granite City nosed out the Eagles 88-87 in their annual quadrangular meet in Granite City. This year's leading scorer, by a mere point, is Larry Cobden. Cobden compiled a 26-2-1 record with 97 team points and six pins. Cobden was district, sectional and conference champ, also placing third in the Rich Tourney. Ed Apel was next in scoring with 96 points. Apel wrestled four less matches than Cobden, but still had an impressive 23-2 record. Apel led the team in pins with nine. Apel was district, sectional, conference and Rich Tourney champ. Bob Hunnewell scored 84 points and had an overall record of 21-3-1 with five pins. Hunnewell was conference and district champ,

Rich Tourney runner-up and in sectional placed fourth. Tom Osting, who did some fine wrestling the last part of the season, finished with 63 team points and a 16-10-1 record. He had four pins plus being district and sectional champ and in Rich Tourney fourth. The next boys in line were Tom Osting - 54 points (17-2-1 record), Harry Werner - 44 points (11-10-2), Karl Pnazeck - 35 points (13-11-0), Bill Karolich - 34 points (9-6-1), Jesse Powell - 29 points (6-5-3), Larry Clark - 28 points (7-15-2), Dan Peterson - 22 points (6-11-0) and Bob Johnson - 16 points (3-11-1). Other boys who wrestled

varsity matches during the year include: Wally Sobut, Rich FitzPatrick, Larry Moen, Scott Spooner, Rich Miller, Ray Zadrovets, Greg Schelkun, Rich Hyink, Quentin Wolff, George Powers, Mike Potacki, Bob Buckley, Bill Palmer and Larry Bernard. Next year's team looks promising for varsity coach John Anderson. As sophomores they had a 15-1 dual meet record and as junior varsity wrestlers this year they had only one defeat. Anderson has six first stringers coming back, plus some promising sophomores moving up from coach Charles Zboray's sophomore squad.

Coach Says The Best Yet

This year's swimming team is the best team Carl Sandburg has ever had according to head swimming coach John C. Weber. Records were set and reset in all events except two. With many of this year's swimmers sophomores and juniors Weber expects to have another fine season next year. The season's 10-4 record was highlighted with sophomore Terry Brazel's fourth place finish in state in the 400 yard freestyle giving

Sandburg 12th place with its first points ever in a state swimming meet. To get to the state Brazel with his team placed fourth in the district qualifying five boys in seven events to the state. Brazel also went in the 200 while senior Bob Hutchinson went in the 50 and 100 free, senior Mike McNaughton in the 100 yard backstroke, junior Alan Stelter in the 100 yard breaststroke and junior George Ware in the 400 free stroke.

Joliet Central Explodes Lincoln-Way Title Bubble

BY NORM BEEBE

The Knights of Lincoln-Way rambled to a 75-51 victory over the Joliet West Tigers to add another victory tally to their sensational 19 and 4 record in overall competition. This victory started the Knights bid for the regional crown. Head coach A. L. Willis and his quintet proved to all who were at the Lockport West gym March 2 that Lincoln-Way had a championship team and was made a favorite over Joliet Central. Lincoln-Way's Schroeder and Joliet West's Hodgdon shared the scoring honors with 16 points each. Three other Knights scoring in double figures were Howie Grimes with 13, Bill Stanfill with 12 and Frank Flick with 10. The Knights held the rebound honors with spectacular 34 to 19 margin.

Joliet West's Hodgdon was the only Tiger to score in double figures but teammates Spliers, Koivula and Kelly contributed eight points each. The Tigers finished their season with a 1 and 21 record.

The Knights were never in serious trouble throughout the entire game and marched to a 14-10 first period score. Lincoln-Way pulled even farther ahead during the second period to lead 33-19. The third period followed the same pattern with LW outscoring the Tigers 20-14 to tally up a 53-33 mark. It seemed almost hopeless for the Tigers in the fourth period as the Knights outscored them by four points.

On Thursday evening of

the same week, the Knights met the Joliet Central Steelmen in the semi-finals of the regional tournament and it wasn't Lincoln-Ways night. This game ended the basketball season for the Knights as the Steelmen downed the Knights 63-53. This was only the fifth loss for the Knights in this years competition with 20 wins and a conference championship to their credit. With a 3-24 record last year it was difficult for anyone to predict that Lincoln-Way would have such a great season this year, but due to the efforts of both coaches and the entire team, the Knights gave Lincoln-Way the best seasons record in the entire history of the school.

250 Attend Annual Cub Blue And Gold Dinner

MRS. EDWARD HOVI
Telephone: 479-5740
The annual Cub Scout Blue and Gold banquet was held at the school on Saturday, Feb. 27. About 250 parents and children attended and

saw Mr. and Mrs. Nelson Fenn, Jr. from the Joliet office of the Cub Scouts entertain the group with a minstrel act and community singing.

Several of the Cub Scouts were given awards for achievements, including the awarding of the first four Webelos badges in Arbury Hills. The Webelos badge is given as the final badge in Cub Scouting before entering Boy Scouts. To be eligible to receive this badge, a boy must be between the age of ten and one-half and not yet eleven years of age. The four boys were: Stanley Pasky, Richard Homer, Jeff Klein, and Brian Cutler.

Mr. and Mrs. Fenn judged the table decorations, which had been made by the boys in their dens, and the decoration of Den 3, Mrs. Lillvik's den, was given first place with prizes for each of the boys in the den donated by Mr. and Mrs. Richard Schwarz.

The efforts and generosity of many people was necessary in order that the banquet could be presented. Some of the food was do-

nated by nearby merchants.

The Den Mothers worked long hours in lining up the food to be brought by the mothers and the co-ordinating of the set up. The Cadette Girl Scouts helped out with the serving of the food.

Al Behnke, a Cub Scout father himself, spent several days taking pictures of each den. More pictures were taken at the banquet of the entire group. All pictures were donated to Mr. Pasky, and the proceeds from the sale of them was added to the Cub Scout treasury. Any additional pictures wanted must be ordered by next Saturday, March 13. Contact Mr. Pasky for additional orders.

The new flags for Pack 10 were displayed for the first time. The flags were given to the Cub Scouts by Summit Hill Parent - Teacher Group and the stands by Mokena V.F.W.

Mr. Pasky also wishes to express gratitude to all those who did lend a hand in setting up and taking down the tables and chairs.

The next pack meeting will be at the school on Friday, March 26 at 8 p.m.

The Arbury Hills Kindergarten Organization will have their regular monthly meeting at the school Tuesday, March 16 at 8:30 p.m. This is the meeting at which the nominating committee is to be formed for the elections of officers.

There will be a discussion pertaining to the number of officers which will be necessary to run the organization next year, since it will become temporarily dor-

mant, due to the fact that there will be no room for a kindergarten in the school.

Another point for discussion is the matter of disposition of the equipment which the kindergarten has in its possession.

Is there a volunteer in the crowd? No hostess has been scheduled for this meeting, therefore a volunteer from the organization would be appreciated. If you do wish to volunteer, please call Mrs. Robert Burdett at 479-5797.

The Arbury Hills Baseball League is planning a bowling party at Art's Amusement Center in Harvey, Ill. There will be a limited number of tickets sold at \$3 per person. The price of the ticket includes a cocktail hour from 9 p.m. until 11 p.m. followed by candle-light bowling.

Tickets for this event may be purchased from Mrs. Richard Prather. The date of the bowling party is Saturday, April 3, beginning at 9 p.m. sharp.

Rhythms U.S.A., the talent show sponsored by the Summit Hill Parent-Teacher Group, will be held this Saturday for two performances. There will be an afternoon show for the children at 2:00 p.m. and an evening show for the adults at 8:00 p.m. preceded by a buffet dinner at 6:30 p.m.

The show will last approximately two hours and will consist of over thirty acts, all local talent among the young people. The show will be divided into four parts to represent the four sections of the country.

The section about the North will show the college campus; the south is represented by the cotton fields; the east will portray a Broadway production; and the west will be based on the open range.

Tickets will be on sale door-to-door at a cost of thirty-five cents each for children from eighth grade and younger; fifty cents for high school age youngsters; and one dollar twenty-five cents for adults. The adult ticket includes the cost of the buffet dinner. Tickets

may also be purchased at the door, but prior purchasing of the tickets would be appreciated.

The evening show will begin with a buffet dinner beginning at 6:30 p.m. The school gym will be set up in a cabaret atmosphere with the youngsters from the Teens Club acting as waitresses. The evening performance will begin at 8:00 p.m. with the waitresses serving coffee throughout the show in lieu of something stronger.

Husbands of Arbury Hills arise! Take your wife out for an inexpensive evening of dinner and a show. Let the kids see the show too, but the afternoon, please!

The Teens Club will have their Skating Party at the Tinley Park Roller Rink next Tuesday, evening. For those who need transportation, meet at the school at 7:00 p.m.

The admission will be 50 cents for each member and any guest he should bring. Skates may be rented at the rink at 45 cents.

Ivan Nicholson Dies Following Brief Illness

Ivan Nicholson, 62, of Lincoln Estates, passed away Monday, Feb. 22 at Silver Cross hospital where he had been a patient for a week.

Besides his wife Maye, Mr. Nicholson is survived by two sisters, Mrs. Margaret Colahan of Cicero and Mrs. Opal Feight of Osceola, Iowa; three brothers, Paul and Dwight of Lincoln Estates and Foye of Markham; also numerous nieces and nephews.

Mr. and Mrs. Nicholson were to move into their new home on River road in a short time. He had been staying with a niece and nephew, Mr. and Mrs. James Jackson when he was taken sick.

The body was removed to Iowa where funeral services were held. Interment at Bethel cemetery, Osceola, Iowa.

Those attending the funeral from Lincoln Estates besides the brothers and sisters were Mr. and Mrs. Jim Jackson and Ed Nicholson.

KID ME NOT

We kid you not: Ford does so ride quieter than Rolls-Royce*

Some of you skeptics—you Unkiddables—laughed when we said Ford V-8s were proved quieter than a Rolls-Royce. We kid you not. Just test-drive one of our '65s—the hottest-selling Fords ever!...Want proof our LTD costs hundreds less than comparable luxury cars? We have it—the actual manufacturers' suggested list prices for comparably equipped Pontiac, Buick, Olds and Chrysler models! Come see—we're not kidding.

*Leading acoustical consultants conducted tests in which V-8 powered Ford sedans and hardtops rode quieter than a Rolls-Royce. These tests were certified by the U.S. Auto Club.

"Astronauts Voice" To Speak At "Y" Dinner

Lt. Col. John A. (Shorty) Powers, U.S.A.F., Ret., whom many will remember as the "voice of the astronauts," is to be the main speaker at the annual dinner meeting of the Joliet YMCA, March 29. His parents live in Downers Grove.

The dinner is to be held in the Chantilly room at D'Amico's 214 at 6:30 p.m.

The meeting is to honor those who have given outstanding service to the "Y" and will also give Will county residents an opportunity to hear Col. Powers on the topic, "Space Age Challenge to Education."

Jerome Cerny, general chairman, emphasized that the affair is open to the public. Tickets may be purchased at the Joliet YMCA.

Red Cross To Offer First Aid Training

Will county industries are being invited to take part in a program to train more

people in first aid, Red Cross and industry leaders said today.

Workers from plants with 50 or more employees will get the invitations but industries with less than 50 workers also may take part if they wish.

Aim of the plan is to train representatives of each plant as Red Cross instructors. They can then train other workers in first aid techniques to save lives in case of accidental injury.

Will county is one of eight regions where the seminars will take place during April and the early part of May under the auspices of Mid-America Chapter of American Red Cross. Other seminars will be held in DuPage and Lake Counties and in Aurora and parts of Cook County.

John Forbin, chief of plant protection at Caterpillar Tractor Co., Joliet, and Alfred C. Levering of NI-Gas Co. are in charge of arrangements for the Will county seminar.

At the recent Blue and Gold banquet of Cub Scout Pack 39 a centerpiece was made by each den for their respective table. A most unique centerpiece, consisting of an oblong cake and decorated with the Cub Scout insignia was made by Mrs. Douglas Longdon for Den 3, whose son is a member of the den. The cake was presented as a surprise and much appreciated by the members of the den and their families.

Special guests, who also gave brief addresses, included Daniel Brown and Ray Vollmer of Scout headquarters in Joliet; Rev. Robert J. Watson, pastor of the Mokena Methodist church who sponsors Pack 39 and William Baggs, Cubmaster.

During the past few months a candy sale contest was held within the Pack with the names of winners announced at the banquet. Receiving first place was Richard Hughes with a tie for second and third place going to Stephen Tomany and Dean Bressler.

Service star pins were presented to Mrs. George Rinke Jr. - one year. Mrs. Kenneth Bressler, Mrs. John Kappel, and Mrs. James Gillette receiving two year pins.

Scout awards were earned by: Dean Bressler and Ken Bilotti - bear badge; Kenneth McEntee - wolf and bear badge and two gold arrows; Gary Gillette - denner bar; Danny Hostert - Bobcat pin and assistant denner bar; Tom Hosea - denner bar; Mike Rinke - silver arrow and assistant denner bar and John Sheridan - two silver arrows. Stephen Tomany was inducted into the Webelos Den.

When Cub Scout Pack 40 met for its recent Blue and Gold banquet last week awards were presented to the following Scouts by Robert Best, awards chairman; Peter Best, Tom Hannafin and Brian Elias - bear badge and gold arrow; Scott Sondergaard, Mark Matthews and John Stephens - wolf badge, gold and silver arrow; George Annast and Tom Langs - lion badge, gold and silver arrow; Henry McNally and Mark Pachol - silver arrow; Greg Julia - two silver arrows; Jim Langs, Thomas Brown and Joseph Bolek - wolf badge.

Also Bradley Miller, Douglas Laird, Mark Matteo and Marvin Brown - lion badge; Mike Matthews, Christopher Stroh, Gordon Richards and Danny Saenz - bear badge; and David Moutrey - bear and lion badge; two silver and gold arrows.

Service star pins were presented to the adult leaders and sponsors as follows: One year pin - Clyde Bond,

Mrs. June McNally, Mrs. Myrna Bolek, Rose and Jerry Matthews and Arthur Sitzberger. Two year pins: Robert Hannafin, Gordon Richards, Robert Best, Paul Yarbrough, Mrs. Norma Elias and Mrs. Isabelle Langs.

ORDINANCE NO. 301
AN ORDINANCE DESIGNATING A CERTAIN PORTION OF 145TH STREET IN THE VILLAGE OF ORLAND PARK AS A ONE WAY STREET AND REGULATING THE MOVEMENT OF VEHICULAR TRAFFIC THEREON.

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

SECTION 1

A PORTION OF 145TH STREET DESIGNATED AS ONE WAY - EAST BOUND. That portion of 145th Street which lies between the Easterly line of 94th Avenue and the Westerly line of Willow Street is hereby designated as a one way - east bound street, and all vehicular traffic shall be permitted to move over, along and upon said street in an east bound direction only, that is from west to east.

SECTION 2

PARKING. Subject to and without altering any other existing laws, ordinances or regulations relating to the parking of vehicles, the vehicles hereafter stopped or parked along the curb line on either side of the portion of said 145th Street hereinabove in Section 1 of this ordinance designated as a one way street, shall be stopped or parked facing in the direction in which vehicular traffic is required to move on the aforesaid portion of said 145th Street.

SECTION 3

SIGNS TO BE ERECTED. That signs shall be placed at appropriate places on the above described portion of 145th Street and particularly at the intersection of each street or alley intersecting with said portion of 145th Street, to inform the public that said portion of 145th Street is a one way street and indicating the direction in which vehicular traffic shall move.

SECTION 4

PENALTIES. Any person who violates any of the provisions of this ordinance, shall, upon conviction thereof, be fined not less than \$1.00 nor more than \$25.00 for each offense of which such person shall be con-

victed.

SECTION 5

REPEAL. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed in so far as they conflict herewith.

SECTION 6

EFFECTIVE DATE. This ordinance shall become and be effective immediately upon its passage, approval and publication in the manner provided by law.

PASSED by the President and Board of Trustees of the Village of Orland Park and deposited in my office this 8th day of March, 1965.

Cub Scouts Hold Annual Blue And Gold Banquet

MRS. DELORES ANDERSON
Telephone: 485-3651

New Lenox Cub Scout Pack 8 held their annual Blue and Gold banquet Saturday night in Fellowship hall of the Methodist church.

Celebrating the 55th year of scouting in America, an impressive ceremony welcoming new boys into the pack was put on by Cubmaster Harvey Carlson, assistant cubmaster Paul Alexander, and advancement chairman Clarence Sluiter.

This ceremony followed the dinner, after which, advancement awards were given to 25 boys at another candlelight ceremony. Five of the boys received their one year pins, and two were advanced to Webelos, they were, Terry Fellars and Richard Binzon.

Each den entertained with a skit following the ceremony. Den 5 entertained with a beetle show assisted by their Den mother, Mrs. Kenneth Schofield; Den 4 with their Den mother, Mrs. Robert Stockley gave a "Mothers Birds-eye View of Cub Scouting." Den 3 with Mrs. Earl Dent entertained with a "This Is Your Life Skit"; Den 6 with Mrs. Lloyd Cleveland gave a physical fitness program; and Den 1 with Mrs. Carl Koehler entertained with a hat parade.

St. Jude's Catholic church will put on a fish fry Friday March 12 from 5-8 p.m., sponsored by the Parents club of the school. Tickets for adults will be \$1.10 and for children, 70¢. There will be a choice of dessert for 15¢; dining room chairman will be Sandy Techman; kitchen chairman, Shirley Keigher; carry out chairman, Pat Stockley; and bakery chairman, Dolores Wysock.

The Couples Club of Grace Episcopal church held a planning meeting Saturday night, at which time activities for the year were made.

SECTION 9: That the Village Clerk secure and have set up in the polling place for said election at least four (4) voting booths and that he also furnish and have delivered to said polling place at least twelve (12) hours before the opening of the polls of said election all necessary ballot boxes, cards of instructions, tally sheets and other supplies necessary to conduct said election.

SECTION 10: That all costs and expenses in connection with the holding of said election be paid by the Village of New Lenox out of funds heretofore appropriated and levied for that purpose.

SECTION 11: That this Ordinance shall be in full force and effect from and after its passage, approval, signing and recording, as provided by law.

PASSED this 5th day of March, A. D., 1965.

TIME TO PAY UP—The United States, Senator Herman Talmadge (D-Ga.), insists, should demand payment of the Soviet debt to the United Nations. "Any compromise which permits the Russians to escape their obligations will not be acceptable," he said. "For too long now the American people have carried the financial burdens of the U.N."

NO BURNINGS—George Washington University, located in the nation's capital, is offering a course in witchcraft and sorcery which is supposed to give students an insight into forms of modern political behavior.

LION'S SHARE?—Of the \$183 million in federal construction funds budgeted for 1966, \$109 million is to be spent in the District of Columbia and vicinity.

THE COST—The Administration's budget works out to just under \$10 a week for every person in the U.S.

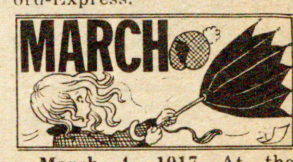

"If you want something done at once, ask the busiest person you know."—Virginia Gaskill, Pennsburg (Pa.) Town and Country.

"Demand is always on the threshold of change. The most successful of all merchants are those who anticipate a change in demand and use advertising to claim a fresh market."—S. S. Talbert, King County (Mo.) Tri-County News.

"One good way to save face is to keep the lower end of it closed."—Lee Mildon, Salinas (Calif.) Monterey County News.

"A politician never buries the hatchet unless he has an axe to grind."—Robert G. Campbell, Lititz (Pa.) Record-Express.

March 4, 1917—At the convening of Congress, Jeanette Rankin, representative from Montana, became the first woman to sit in either house.
